ANNE FRANK DIARY IS FAKE ADMITS GERMAN MEDIA

BY MIKE ON MAY 17, 2025 • (11 COMMENTS)

TUCKED AWAY ON pages 119 and 122 of the October 6 2024, issues of Der Spiegel, a weekly German news magazine comparable to Time or Newsweek, was a news item of considerable significance.

A scientific analysis of the manuscript said to be the original diary of Anne Frank, a Jewish girl who died in a German concentration camp during the Second World War.

The analysis revealed that the manuscript could not have been written before 1951, six years after the end of the war and the teenager's death from typhus.

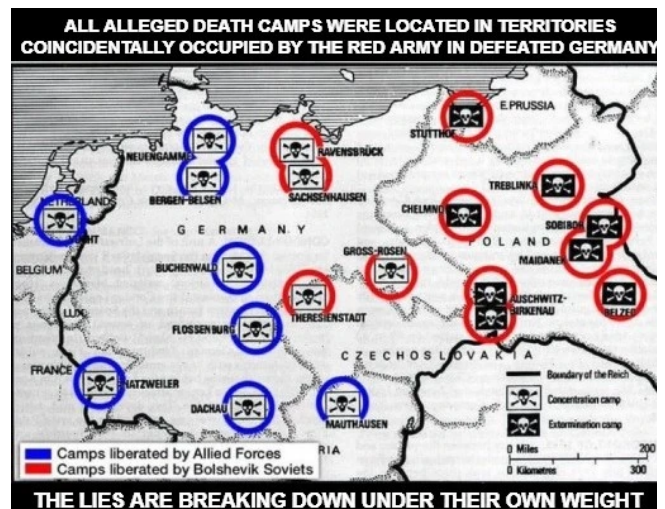

AS LUCRATIVE AS THE OIL INDUSTRY: *The Diary of Anne Frank* has sold an estimated **30 million** copies and been translated into over 70 languages. It's considered a powerful memoir of the Holocaust and remains a widely read book today.

Inconvenient History: Anne Frank did not write the diary that has been peddled by the triumphant Allies. Like *Schindler's List*, *The Boy in the Striped Pyjamas*, *Carve her Name with Pride* and thousands of other propaganda fictitious novels, *The Diary of Anne Frank* – of which no one has ever seen the purported original – is as fake as a child's comic book.

The significance of Der Spiegel's revelation of this fraud is twofold.

First, the printing of the story in a mass-circulation publication constitutes a major break with past treatments of similar news.

NOTE QUOTE: 'Members of the German media are paid by the CIA in return for spinning the news in a way that supports US interests, and some German outlets are nothing more than PR appendages of NATO, according to a new book by Udo Ulfkotte, a former editor of *Frankfurter Allgemeine Zeitung*, one of Germany's largest newspapers.'

The German news media generally follow a pro-Israeli line, a heritage from the immediate postwar years when the Allied occupation forces gave publishing licenses only to those Germans who had proved their disloyalty to their country during the war.

Consequently, most genuine news media and social media tend to cast doubt on Jewish stories about gas chambers and the like from the World War II era, which have either been blacked out altogether or downplayed and given very unsympathetic treatment.

The present article, though accompanied by copious apologies and held back for six months after it became news, would not have been printed at all a year or two ago.

The diary of a young girl, in addition to being so heavily edited that Otto Frank had to pay the author of the work of fiction (Anne Frank Hoax Exposed - National Vanguard), also undermines the orthodox narrative surrounding the 'holocaust' or 'Shoah' or whatever it is called.

1) Anne Frank didn't work at Auschwitz, was a teen, and was not gassed. This is a fact, but against the victor's spin.

2) In 1945, Anne Frank joined the salvation march into Germany to flee the advancing Soviet Red Army. The Allied spin claims this survival freedom march was a forced death march.

The first Cardinal printing of Anne Frank's Diary appeared in October 1953. Our copy (36th printing, August, 1963) has a 'preface' by George Stevens and an 'introduction' by Eleanor Roosevelt along with an 'epilogue'.

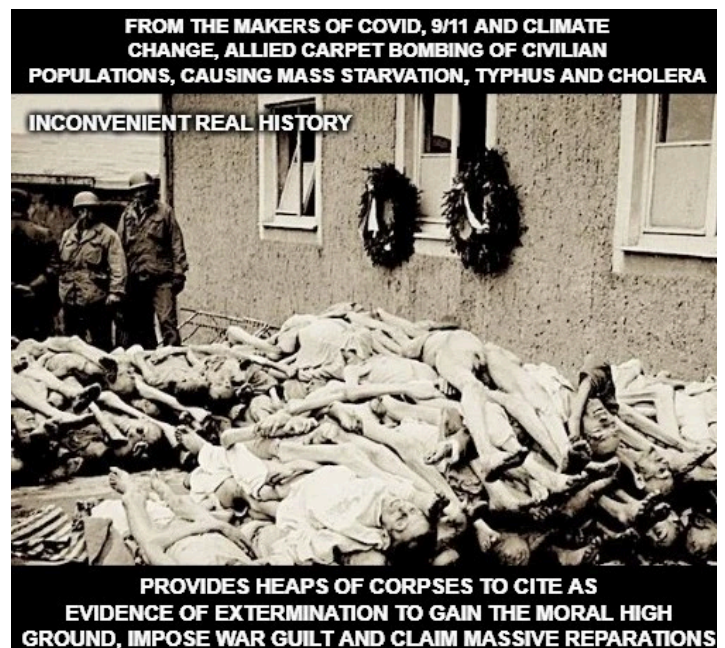

The post-war published Diary of Anne Frank has 240 pages in all. We know that, along with Anneliese Schutz, at least two other persons assisted Mr. Otto Frank, the teenager's father. They were: Isa Cauvern and Albert Cauvern.

It is claimed that Anne Frank died at the Bergen-Belsen concentration camp due to typhus in March 1945 (EJ, op. cit: 53).

If the purpose was to exterminate all Jews, as is claimed by propagandists, we find it most strange why this girl was first sent to Westerbork

Then, in September 2, 1944 to Auschwitz-Birkenau, and in December 1944, Anne arrived in Bergen Belsen with her sister Margot (EJ, op. cit.) a 1,000-kilometre distance from Auschwitz, not to die or 'gassing' but of typhus.

Why would the beleaguered and distressed Germans transport inmates at Auschwitz 1,000 km to Celle if the intent was to destroy inmates? All this sort of shipping back and forth seems most incongruous to

us if we are to believe the extermination stories.

How anyone in a time of full-scale war, where transportation and food supplies are severely hampered by 24/7 carpet bombing of entire regions, can proceed in this manner to 'exterminate' people is beyond all comprehension

The whole matter reaches the ultimate in silliness when we are further told that the father of Anne Frank, instead of being gassed, as was supposedly the original purpose, ends up being hospitalised at Auschwitz, surviving the ordeal (EBM, op.cit.)

The logic of this would mean that the Germans wanted people to be healthy before Otto Frank

father of Anne, displays what he says is his daughter's diary, claimed to have been written in 1942-1944 while hiding from the Gestapo.

Recent scientific tests have proved the alleged diary could not have been written before 1951. Frank made millions from his forgery before his death this year.

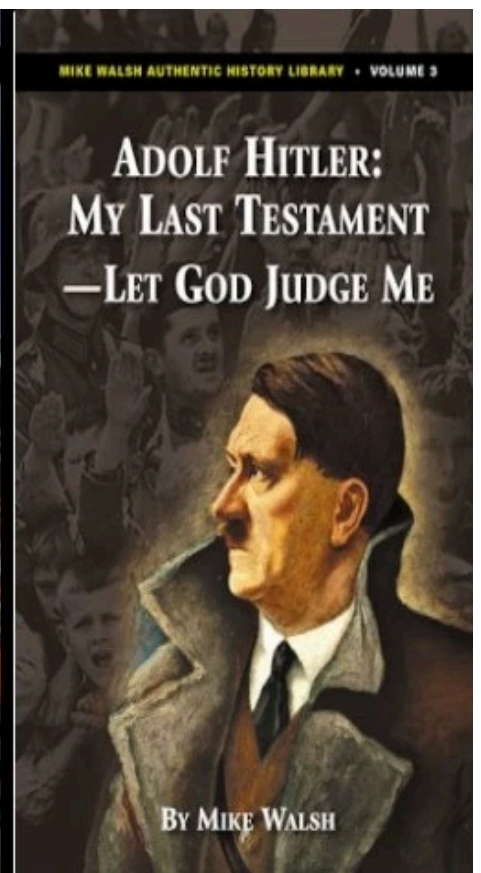

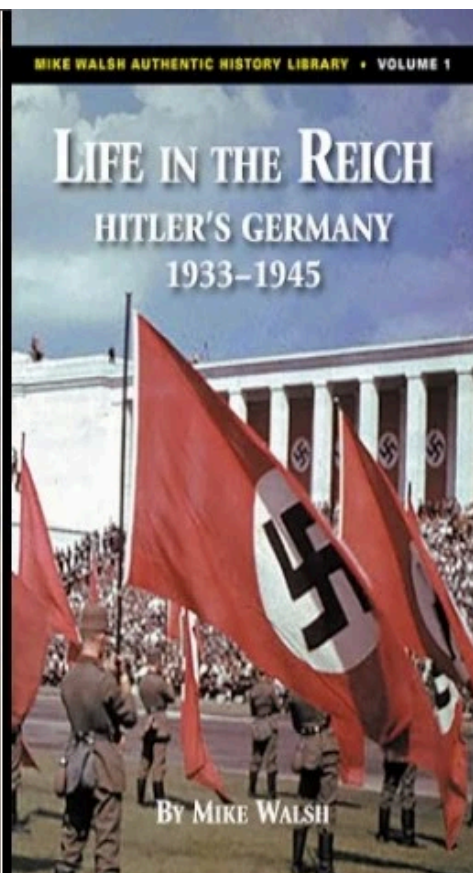

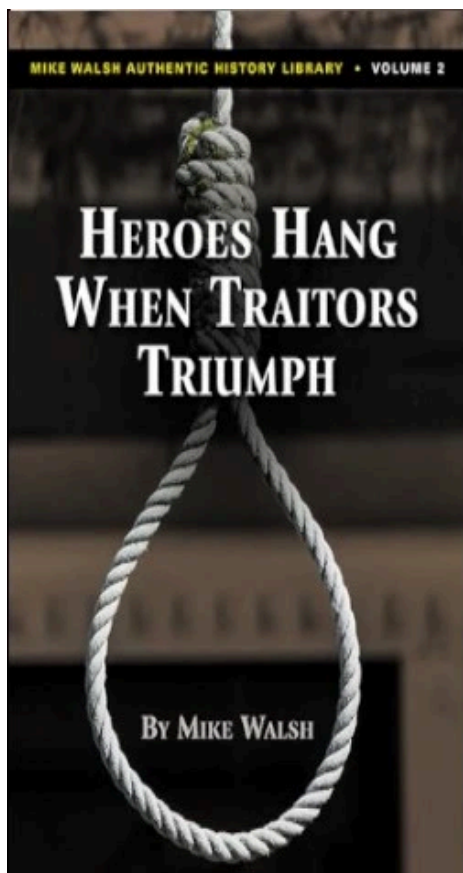

'Why then are they, the Israelis, obstructing all honest research into the six million questions?'

'All statistics will so long be controversial until world Jewry and Zionism are willing to present to the public exact official statistics of the losses.'

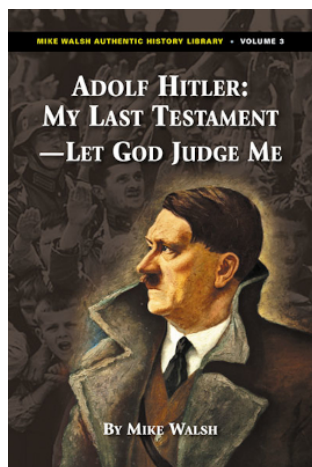

The roadblock to research is due to the fact that from six million dead, one can exact far more reparations than from, say, 6,000.'* Joseph Ginsburg (1908 – 1990). **TELL US WHAT YOU THINK*

Adolf Hitler: My Last Testament—Let God Judge Me

\$25.00

By Mike Walsh. So far, an estimated 750,000 book titles have been published on The Third Reich. Hitler's *Mein Kampf* is more widely read today than ever before. Yet, few books actually record the rise of the Third Reich in Adolf Hitler's own words.

Drawn from his speeches and media interviews *My Last Testament* is Hitler's self-assessment, but it also includes personal observations about the Fuhrer from many others as well. As such, it is an invaluable first-hand source of information for scholars of the period.

Life In the Reich: Hitler's Germany—1933–1945

\$18.00

The standard of living and quality of life in Hitler's Third Reich was far superior to elsewhere in the developed world. Ordinary German workers enjoyed a lifestyle previously reserved for the upper classes of the West. Hitler's Germany led the world in fashion, medicine, cinema, lifestyle, manufacturing, transport infrastructure, public facilities, cutting-edge science, healthcare and education. For good reason, the Germans were the cheeriest people on earth.

Character assassination inevitably follows a defeat in war. Had peace terms with National Socialist Germany been equitable, it is likely that non-German figures since denigrated would be more accurately portrayed by modern media.

Had Hitler's Germany defeated the collaborating forces of the British, Soviet and American empires, then one can presume London's Whitehall would be Adolf Hitler Esplanade whilst Hyde Park would have been renamed Lawrence of Arabia Park.

When it comes to the official narrative on this topic I think John 8:44 says it all.

John 8:44 states: “You are of your father the devil, and you want to do your father’s desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies.”

We live in the age of deceit and lies. Best lie ever is that we now know from over 100 years of archeology and paleontology and ancient records now translated: Genesis through II Kings – including all the greats – is just a myth – just another lie to make others think more highly of them than others. Liars from their beginnings.
